NP	Not Present, for one or more elements of assessment
X	Module Exemption
I	Module Results Deferred
WH	Withheld
Cont	Continuing Student

2. Progression

College regulations stipulate that students must successfully complete all modules and meet all academic requirements In order to progress to the next stage of their programme of study. Students who do not meet these requirements are required to repeat the necessary modules.

3. Repeat Exams

Students who repeat any number of modules in the award year of their programme of study may only receive an overall 'Pass' grade. The examination transcript will Indicate the modules which must be repeated.

4. Pass by Compensation

Pass by compensation means that a student who has failed to attain the pass mark (40%) in a module, may, at the discretion of the Board of Examiners, pass the examined module by compensation. The pass by compensation range is 35% - 39% and the rule will only be applied if it is your first attempt at passing the module. The pass by compensation rule can not be applied where a student has been unsuccessful in one or more modules in any stage. Students should not assume that they have passed by compensation. The examination transcript will clearly indicate if the rules have been applied.

Please note that the pass by compensation rule cannot be applied to an incomplete set of results and will only be applied where possible to a full set of results as approved by the Board of Examiners in June and August.

Further information regarding the pass by compensation rule can be located on the NCI website.

5. Overall Grade

The overall grade awarded for the year is shown at the end of the examination transcript.

Where the words 'Exempt where 40% or over' appear,this indicates that the student has been unsuccessful in completing the year and is required to repeat any modules where the result in 39% or below.

The overall grade for some Minor and Special Purpose Awards with 60 credits or less are classified with Pass/Fail only.
